BELLE ISLE GARDENS

"South Carolina's Beauty Spot"

Located on Ocean Highway U. S. 17.

50 miles north of Charleston, S. C.

Here century old live oaks covered with garlands of Spanish moss tower above parterres of flowers and heavy grass sward. Winding paths lead through this garden, and by fresh water lakes where waters of onyx-blackness reflect the tints of flaming azaleas, the soft color of Spanish moss and the perfect coloring of varied camellias. Mansion burnt in 1942.
